

AP English Literature and Composition
Second Half: *HTRLLAP*

Choose two chapters to be responsible for. Using your sense of how the study questions for the first half have gone, be prepared to give a presentation about your chapter that both summarizes (and walks through key examples) and that reaches to other works of literature we have studied.

This presentation should be from notes coherent enough to be handed in.

Each chapter presentation should be about 3 minutes in length, prepared and polished.
